## Chairmans Report 2015

When taking over last year from Alistair Kilfoil it was done with a mixture of excitement, eagerness and needing a new challenge. At the same time realising I had stepped well outside of my comfort zone.....it was definitely going to be a mammoth task turning the club fortunes around.....

The focus this year has been turning around of the senior cricket programme. It was with renewed enthusiasm that a new ad hoc Senior Cricket Group was formed and plans formulated. Whilst the group had a tremendous positive impact, in hindsight it will probably be at least 1 more year before it will be fit for purpose to drive the senior cricket programme independently and report back to the management committee.

Pivotal to a lot of the success was the players survey, the rolling out of the club development plan to the membership, a players evening and the recruitment of a head coach. The members were given lots of opportunity to have a say about their club.....thank you to everyone for your contributions.

The rest they say is history with two promotions and a cup win. The credit for this lies with the people who ran with the new ideas, they are to be applauded for engaging with the changes that were needed.

Winning the league and trophies brings lots of positive headlines; it was certainly nice to hear of other clubs talking about Hambrook for once!! However, we must not lose sight of the fact we need to provide meaningful, competitive cricket for **ALL** of our members not just the 1<sup>st</sup> XI.

I am clear in my thinking we still have work to do in addressing ideas and perceptions outside of the 1<sup>st</sup> team. I was very clear at last years AGM when I said we are all in this together.

I do concede there were occasions when individual player's expectations were not particularly well managed, but when we have an excess of players or an imbalance in the team make up, tough and sometimes unpopular selection decisions are inevitable.

Clear exit and progression routes for our young players must happen if we are to grow the success of 2015 in future years. As chairman, I am adamant gender will not be a barrier to any young player's progression; everyone has the right to play at a level commensurate to their ability.....to hear of senior members questioning about female players in senior cricket was somewhat disappointing.

Therefore a polite reminder, there is no distinction in our club constitution that says we are a male only club, nor are there any league rules that bar female players playing.

The cricket landscape is forever changing, as a club we should celebrate and be proud of the female players that we have.

At a time where player numbers continue to fall (nationally 60,000 stopped playing in 2014) we cannot afford to lose any player, not least for reason mentioned above.

(My apologies, it's not always possible to raise a concern and take the emotion out of what you want to say. However, keeping it all in perspective, these were just very tiny negatives in what was an otherwise fantastic season for our club)

On the subject of a changing cricket landscape, we have major changes coming to local cricket next season. I believe its something that we will discuss at length at the AGM and would ask everyone to look at the changes with an open mind? Remember the proposed changes are about securing the future of all cricket not just cricket at our club.

Next season will also see changes to our youth structure, after 13 seasons I am relinquishing the Youth Coordinator role – time for new faces and fresh ideas!! It's highly likely there will be changes to the Bristol Youth League offering; hopefully more will be known in a few weeks following a Special General Meeting that has been called. Members and parents will be kept updated.

So, looking back on 2015, it was a tremendously successful year:

- NatWest CricketForce set things going on the ground
- New machinery purchased (wicket mower)
- Social events and funday
- Head Coach appointed
- A structured and well managed pre-season programme for youth and seniors
- Grant Funding and the delivery of roll on covers!
- A very dry summer and no weekend was a complete washout!!
- 1<sup>st</sup> XI winning their league and cup double – (start re writing the club development plan!!)
- 2<sup>nd</sup> XI securing a top half finish and securing their current standard in the league restructure
- 3<sup>rd</sup> XI – despite having restricted choices due to player availability avoided relegation with excellent winning run to the close the season.
- Sunday XI won their league.
- No senior league games conceded unlike many other local clubs.....
- Successful and well attended Senior Club Dinner and Youth Awards evening
- Another well managed and successful youth programme
- For the first time in many years no outstanding senior player subscriptions – thank you everyone!! 😊

I would like to offer my thanks to all the captains, vice captains who have to manage the match days.

Head Coach Neil Higginson had a major positive impact this season, thank you Neil for your input. We look forward to working with you again in the future.

Thank you to Jon Snell for producing the excellent match day programmes and Alan Vickery for again producing our fixture cards.

My sincere thanks also go to the Management Committee for the support they have given in my first season as Chairman.

The efforts of Dudley Jones quite often go unnoticed. Having secured grant funding for the covers he is now working on a major funding project for the sports club. Dudley has also ensured the Club Development Plan is kept up to date so to maintain our ECB Clubmark status.

Once again the club is indebted to Alistair Kilfoil in managing the Parish Council Grant and again hosting Anant Tambavekar.

To all the youth managers, officers and helpers who give their time selflessly – thank you. The youth section was again well managed by all the volunteers and youth committee officers.

To Rory O'Connor for coordinating the club spirit workstream – Cricketforce, quiz night, race night, bingo, Easter Egg hunt and club fun day – and not forgetting everyone else that helped out with these events.....THANK YOU!!

For cricket to take place on the common it takes many hours of voluntary work selflessly done by a small team of volunteers – Roland Allen, Nathan Warren, Aidie Kislingbury, Andy Kislingbury and Rich Snell the club owes you its utmost thanks. Also thank you to Phil Dyer, a friend of the club and supplying fuel to us for the machinery.

For those who have done the teas this year Zoe & Sarah Rutter, Tracey Vardy, Carol Dyer, Rich Snell the club is extremely grateful.

Thank you to Dave Manley for auditing the accounts again this season.

Thanks also go to Hambrook Sports Club in ensuring we have facilities that are maintained fit for purpose and our landlords Winterbourne Parish Council in the support of the projects we have run in recent seasons.

Finally 2015 see's two people stepping down from their roles. First is Jeff Morgan who has run the 100 Club for many years. He has raised many thousands of pounds. In that time the 100 Club has funded a number of major projects.

Secondly after 18 years as Club Secretary, Jon Snell is also standing down (we did suggest he should round it up to 20 years!!).

Just saying thank you for what you have both done does seem to be woefully inadequate, but the club owes both of you a very big THANK YOU!!

If I have forgotten anyone please accept my apologies and thank you for everything you do.

It has been an honour to serve as your Chairman this season.

If re elected, my aim will be to continue the work started this year, again seek your views and use them to shape the future of YOUR club.

I know some members had concerns about me taking the role on. I hope some of those concerns have been allayed and we can all work together in making 2016 just as successful?

If you would like to get involved with helping at the club please get in touch – a lot of people doing a little bit each can achieve so much more than a few trying to do everything.

My best wishes and thanks to everyone.

*Martin Dyer*

Chairman – Hambrook CC

## **Hambrook CC 1<sup>st</sup> XI end of season report.**

First things first, I would like to pass on my sincerest thanks to the following people who have been so instrumental in what has been a great year for Hambrook CC.

- Roland Allen and Nathan Warren for all of your hard work that you have put in once again this year in preparing the fantastic pitches we have had the pleasure to play on this season. Also, not to forget Aidy Kislingbury, who has kept the grass cut short in the outfield spending hours this season out on the tractor.
- Zoe and Sarah Rutter for supplying both the 1<sup>st</sup> and 2<sup>nd</sup> XI's with fantastic teas once again.
- Paul and Tracy Vardy for stepping in to do teas when the Rutter's were unavailable and also Paul for remembering to turn the showers on and off as I always forgot!
- Carol Dyer. One of only 3 ever presents this season. However, this was as scorer and also for stepping in to do teas once or twice as well.
- Dean Pullin, Grev Leigh and Rich Snell for all of your support and advice at selection and for having the thought of the 1<sup>st</sup> XI taking 1<sup>st</sup> pick of players. This has helped us to have the season that we have.
- Neil Higginson not only for Thursday night training but also for pre-match warm ups and always being available for advice and suggestions.
- A huge thank you to everyone who came to Cleeve CC on August 16<sup>th</sup> to support us in the 20/20 final and see us bring the trophy back.
- Jon Snell for providing us with match day programmes. I recall a lot of opposition teams being very impressed with these.
- Pete Reeves. Since the AGM when I was elected captain, Pete was persistently telling me the importance of looking after the umpires and the best way to do it. He should know what umpires like after all!!
- To the 21 other guys and girls out there in the middle, all fighting for the same cause and something that is important to us all. Always bringing up suggestions with fresh and new ideas of what we could try in the field. Also, thank you to you guys for backing me up with the decisions that were made.
- Also, thank you also to anyone else not mentioned who has been there this season whether just words of advice, general or anything else.

Throughout the winter and into pre-season I was somewhat sceptical of Craig Wood's prediction of us winning the league. My thinking was to stabilise and see where the restructure takes us. A 10 wicket defeat opening game however, cast my mind into further doubt of this potentially crazy thought of his. How wrong could I be?

Now it may be true that without the runs and wickets that were supplied, what seemed on demand by Anant Tambavekar, we wouldn't have finished in the position that we did. Although in my opinion mid-table was very realistic. I want to make it very clear right now that when Anant didn't perform, somebody else did therefore

making me believe that maybe we could have finished higher than mid table. There were 4 or 5 of us who scored 200+ runs and hardly batted! This shows that there certainly isn't an 'I' in TEAM!

Throughout the season there were defining moments of the type of season we were embarking on. I started to believe we could win the league away at Frampton Cotterell who had only been beaten by Whitchurch the week after they beat us. Anyway, a 155 run win for us in Frampton's backyard really let the league know who we really were. No longer this team that rolls over, but a team that will stand up and fight against anyone and everyone.

Another moment was Whitchurch on the common. Seemingly staring a possible defeat firmly in the face, Darren Vickery strode out to bat at number 9 only for the opposition captain to complain to Darren that he thought they had gotten through the tough bit and it was about to get a bit easier for them. Darren Scored 49\* from 39 balls that day and was incredibly and perhaps for a lot of people (including Geoff Boycott), boringly supported by James Wigzell who scored a miserly 3\* from an unbelievable 54 balls. Never have I seen such a selfless innings in nearly 20 playing years. This wasn't to be the only time James did this during the season although not quite to this extent. He did become somewhat of a spectator and at the same time a runner in the game at Bitton where he faced 4 balls in 3 or 4 overs whilst I had the pleasure of carting them all over the park. I did shout a bit when he nicked the strike last ball of one over. He gave it straight back 1<sup>st</sup> ball of the next though!!!!

These games though seem to have shown that we have learned to not only go in for the kill when victory was in sight but it has also shown that we have the ability to graft and grind out results when we need to. An impressive thing to do, for a squad that only just stayed up last game of the season the year before. It should also be noted that the majority have not experienced playing at a higher level, nor have even more of us experienced being part of the 1<sup>st</sup> XI winning the league. It shows what great ability we have had as a squad. Everyone had a role and a purpose in every game we played. What also helped I believe, is being one big group all fighting for the same thing rather than several small groups where some were perhaps more concerned about the name on the back of the shirt and not the one on the front. Our togetherness showed after the last game where loads of club members, (not just the 1<sup>st</sup> team squad), went out to celebrate and spend the fines pot, (and then some more).

Of course throughout the season we had many notable performances. Anant Tambavekar of course leading the way with 8 half centuries and 1 ton (114\*), and 6 – five wicket hauls with a best and what I remember as one of the most hostile returns I have ever seen, of 6-34 away against Blagdon.

Aidy Kislingbury on the day we won the league returning figures of 6-35. Aidy also ended up 2<sup>nd</sup> highest in the wickets for us with 22.

Darren Vickery stood in as captain vs Bohemians on the common and stood up and took responsibility with 5-32.

One final 5 wicket haul and it went to Nathan Warren for his 5-19 away vs Whitchurch that was sadly in vain as we lost that game. Nath also took 5-26 in the

20/20 game vs Almondsbury on the common. Again in vain as we lost that one too. Maybe Nath should stick to taking 4 if it means we will win the game?!

Onto the batting, I already have mentioned Anant. We also had 61 from Edin Ahmed in our biggest win of the season away at Frampton Cotterell. Edin also scored 52\* off of 36 balls in the 20/20 fixture vs United Banks. This was in an incredible unbeaten partnership of 135 with Calum Martin, who smashed 73\* from just 51 balls. Calum ended the season with a whopping average of 120 in the 20/20 format.

We of course have the veteran Stuart Rutter who scored 59 at home vs Bristol Pakistanis.

Rich Dyer grafted his way to a match winning 58 away at Blagdon.

Craig Wood and I both scored half centuries in the same game against Stoke Bishop. Craig finishing with 56 and I scored 58 a week after the carnage of scoring 49 from just 19 balls away at Bitton. I was fined for getting caught last ball of the innings. Darren Vickery as previously mentioned also scored what was more of a match winning 49\* at home against Whitchurch.

Finally Alex Dyer scored his maiden 1<sup>st</sup> XI half century in the last game of the season after getting starts in several games leading up to this. He scored a well-deserved 51. I think it is also only right to mention another magnificent individual performance. I, and I'm sure many others firmly believe that Mitch Vardy should have been named man of the match on the 16<sup>th</sup> of August in the 20/20 final after returning figures of 4-20 from his 5 overs and that the award was given as more of a consolation prize to a member of the opposition, rather more so than where it should perhaps have rightfully gone.

One other person to mention is James Wigzell. He has to be, in my opinion one of if not the most selfless batter I have ever had the privilege to meet. However, this isn't to mention his batting ability. It is actually for his wicket keeping skills, as James holds the count for the most individual dismissals in the B&D this season. This I believe will be recognised at the B&D awards evening. I did mention jokingly when told, that Anant made it a lot easier for him, which James agreed with, but you still have to catch them! Anant himself will receive the award for the most wickets in the B&D this season. Congratulations to both of you guys. Also, further congratulations go to Anant who has been nominated for Cricketer of the Year for the Bristol Post Awards.

Another thing to mention around individuals, is that club history was made this season and almost league history as well with Danika Dyer making her 1<sup>st</sup> XI debut. She become the 1<sup>st</sup> female to play 1<sup>st</sup> XI cricket at Hambrook and only the 2<sup>nd</sup> female to make a 1<sup>st</sup> XI appearance in B&D history. As I have said to a lot of the youngsters as well as everyone else, you get your chance if deserved; Kieran Smith also made his 1<sup>st</sup> XI debut. Congratulations to both of you!!

One final thing to mention, again this should be celebrated as a club. Congratulations and well done to Roland Allen and Nathan Warren in securing the Sunday League Division 2 title and helping to create a marvellous treble for the club this season.

So all in all, I guess it wasn't the worst season ever eh?! Already we are looking forward to next season. Sadly Anant won't be back with us as he quite rightly wants to challenge himself at a higher level. Currently a replacement is being sought, an update will be provided as soon as we have one.

Once again, thank you to everyone who has made 2015 a special and extremely memorable season for Hambrook CC.

## 2<sup>nd</sup> XI Captains Report

The first part of the season the less said the better due to a clash of personalities, but the team somehow managed to finish 5<sup>th</sup>. This was a great achievement to come back from where we were.

Having Stu Rutter in our team made a big difference.

Notable performances with the bat were:

- Martin Richardson 408 runs
- Stuart Rutter 354 runs
- Rich Kislingbury 320 runs

Martin Richardson scored two scores of 80+ and Richard Kislingbury having a top score of 67\*. There were also 2 fifties from Rory O'Connor, 89 from Paul Finken and Nick Woore with a best score of 55.

Notable bowling achievements were:

- Mark Dyer 20 wickets
- Roland Allen 19 wickets
- Bob Waterworth 17 wickets
- Dean Pullin 16 wickets

Mark Dyer claimed 7 for 16 in one game and Roland Allen with 7 for 13 in another. These were the best bowling performances in games this season.

Best all round performance was Mitch Vardy's 55\* and 5 for 15 v Whitchurch.

Also a special mention for Nathan Warren who bowled superbly when he played.

I would just like to thank everyone for their help for the last 7 games of the season. Also to everyone who helped prepare the wickets and do the work on the common.

Thank you also to Zoe & Sarah Rutter for doing the teas.

Let's hope next season is a good one.

## 3<sup>rd</sup> XI Captain's Report

In a season where I set a goal to finish out of the relegation places, we did achieve that but with the widespread changes to the Bristol and district happening next season we still will drop down one division along with 4 other teams.

It was a season of 2 halves. We started badly only winning 1 out of the first 10 games but to our credit we won 4 out of our last 6 games. Our last game against the champions we only lost by 20 runs, it was pleasing to see the champions Bohemians who romped away with the league being given a tough game. We had some young players out there and to me it showed how far they have come on since the first half of the season.

On a personal note my season was all over after the first 3 games my old back injury returned to put a stop to any more cricket. I would like to thank my vice captain Kit Carson for stepping in to take over from me at the helm and he did a marvellous job and in the 2 games Kit was away Jon Snell stepped in and did a great job so I would like to thank Jon too.

Again it was a tough job with selection and player availability as it has been the past 3 seasons but to our credit we played every game and I would like to thank every player and dad who turned out for us.

I would like to thank Carol Dyer for gathering the available players list every Tuesday night it really does help and at the very least we know from an early point in the week who can play and who cant and as 3rd team captain it gives us far more time in the week to get a side out .

A few other thank you's are needed, these include Roger Miford for scoring at least half the games, for those that did the teas Michelle, Jon, Carol and Kit.

On the playing side there were some notable performers through the season. Batting Jon Snell had a great season scoring over 400 runs and there were good contributions from Malc Davis, Kit Carson and George Weston. On the Bowling front there were good performances throughout the season from Danika Dyer, Jamie Kislingbury and George Weston.

George also won the player of the season for both batting and bowling performances, well done George!

I would like to congratulate the First team and especially Lee Dyer for winning the Bateman Trophy and for winning the league in his first season as captain well done Lee.

Finally I would like to wish everyone a good winter and see you all next season.

## Sunday XI Report

Playing Record:

All Matches – P15, W8, L7 (P13, W7, L6)  
League – P9, W6, L3

Ultimately, the summer of 2015 has been a successful one for Sunday cricket, bookended by wins over Box on the common way back in April, and at Lisvane in the middle of September.

Between those games of course, there was the little matter of winning division 2 of the Village Cricket League, wrapped by victory over Ampney Crucis in what was a straight shoot-out for a promotion place in the final game. Having been relegated by the narrowest of margins in 2014 following a points deduction for defaulting a game, I was reasonably confident that we would have the ability to challenge for promotion so long as we were able to select a competitive XI. Losing the first three games quite easily tested that belief somewhat! Fortunately, winning the toss at home against Pucklechurch on a dank and drizzly afternoon gave us the boost we needed as we put pressure on the batsmen with some hostile bowling in favourable conditions. The weather then cleared, and after tea our batsmen comfortably chased down the target. That game proved to be the catalyst required; we didn't look back, winning all the remaining league fixtures, including chasing down 210 away at Ampney Crucis, and more impressively, 247 against a very strong Dyrham & Hinton team on the common.

The stand-out performers in the league were Richard Dyer with 357 runs at 39.67, backed up by James Wigzell (190), Alex Dyer, Josh Lax and Mitch Vardy (130 each). The leading bowlers were Roland Allen with 12 wickets at 19.25, followed by Nathan Warren and Richard Dyer (9 each).

Considering all games, our leading scorer was Richard Dyer with 578 runs at 41.29, and the leading bowlers were Roland Allen and Richard Dyer with 17 wickets each.

Thirty-six players turned out on Sundays this year, which was pleasing given the struggles of 2014. Overall, availability was improved, which really made life much easier at selection this year. I'm sure that we were the beneficiaries of more senior players wanting to play as a result of winning – and enjoying – their Saturday cricket. As a result, I think that we had a really good spirit and will to win develop over the course of the year. Availability of youth team players has been more limited, maybe due to the amount of senior Saturday cricket that they have been playing, but nevertheless there have been some encouraging performances, notably the bowling of U13s Dan Carter and Jeremy Yearsley that are not necessarily reflected in the averages.

Many thanks to everyone who has contributed to Sunday cricket in 2015. I hope that you have enjoyed the season.

Roland Allen  
Sunday Captain

## Youth Report 2015

This years report is written with mixed feelings. After 13 seasons I am relinquishing the role of youth coordinator.

2015 was a year of challenge for the youth section. Low player numbers and availability in the U11's and U17's resulted in us having to withdraw from the league. It really was frustrating to know we had just about enough to make it work, for players to be not available despite the fixtures being published at the start of the year is something I struggle to comprehend.

I would appeal to parents to please ensure you know what the commitment is and when the matches are. If there is a clash with exams, school trips and holidays please let the team manager know much sooner than was the case this year.

Another major challenge in all groups was the impact of football. Does the season ever end? Mums and Dads we understand kids want to play both but it really is concerning to hear about football coaches suggesting the kids won't be selected if they don't train or don't play in the summer tournaments.....this also affected offering older youth players senior games as they were asked to play football in July!!

Whilst we don't want to stop the kids playing sport, I can't help wonder if a player went to his football coach and said my cricket coach says I'm not allowed to play football what his response would be?

Mums and Dads the managers and coaches put in a lot of voluntary and unpaid work for YOUR children – all we ask is they are available for cricket when asked to play in what is the CRICKET SEASON not the football season.

For the other age groups the U13's had a very reasonable season in terms of finishing runners up in their league section. The number of extra games we could offer seemed much less this year – whilst I'm not entirely certain of the reasons why this was I remain conscious we must offer enough meaningful cricket for all players that is commensurate to the level of ability and availability or we run the danger of losing them.....

The U15's had a season of mixed results with defeat snatched from the jaws of victory on a couple of occasions. Results and league position could have been so much better with greater application against what was often very ordinary opposition.

The youth section once again supported the senior teams with players throughout the season. This year we had a number of father and son combinations playing and it certainly plugged the senior availability gaps on many occasions when work, family and holiday commitments arose.

The stand out success of the youth season was the U7 & U9's Kwik Cricket programme. I only wish I could have been about more to see everyone in action. I

understand from Rory there was a high level of support from parents helping with training – Thank you ever so much for your help and support.

One parent that stood out in helping with everything was Richard Carter – scoring, umpiring, setting up, putting away.....for his input Richard was awarded Junior Clubman of the Year!!

2015 also saw a number of our young players (and a coach) involved with the Gloucestershire Cricket Board County and district teams – Jess Werrett making the headlines with a '5 for' in the U17 women's County Championship.

Hambrook also hosted District representative games this year – we received a lot of complements about our ground and facilities – it makes you realise how lucky we are at Hambrook.....

As 2015 draws to a close it is pleasing to report 7 Hambrook players have been selected for the 2016 GCB winter training programme. This includes Max Richards who is the first boy at Hambrook to be selected for a county training squad (Under 10's).

The Youth Section has again run a robust pre-season programme and managed its finances accordingly.

We have funded Rory O'Connor through the ECB Level 2 coaching course – well done Rory in getting your qualification, I know what commitment is needed to get through it.

The Youth Section also funded the end of season renovations on the cricket square as a one off. It was agreed by the Youth Committee this should be done given the exceptional costs this year on the main club account with roll on covers and the new wicket mower purchase.

My thanks go to the Youth Committee, managers, coaches and helpers who have again supported the youth programme at Hambrook.

Nicky Stiddard and Lisa Weston again ran the administration side of things with great skill – thank you ladies!!

I also offer my thanks to the team that work on the ground ensuring the youth teams can play on good standard pitches and facilities.

I would also like to offer a really big thank you to someone that has supported the youth section for many years. He was there when we set up the Youth Committee and drove through many ideas. After 5 years in the role of Youth section Treasurer Martin Scrase has indicated he wishes to stand down – Martin, thank you so much for all of your help, support and wise words.

As I said at the start, it is with mixed emotion I am standing down. Having a dual role of club chairman and youth coordinator is not a viable or realistic option that works well for me or more importantly the club..... Richard Carter has come forward to take on the role of Youth Coordinator. He comes with my personal recommendation.

I hope everyone will endorse his nomination at the AGM plus offer him the same level of support given to Carol and myself over the years.

*Martin Dyer*

## **Treasurers Report 2015**

Here are the club summary of accounts, income schedule, and expenditure schedule for the year ending 30<sup>th</sup> Sept 2015.

FOR THE FIRST TIME IN OVER 20 YEARS I SHALL MISS THE AGM, as such I offer my apologies for this.

For reference, the items I would like to highlight are:

- 1) Summary of Accounts – From a combined balance of £9752.43 b/f from 2014, income received was £18,591.02, and total expenditure was £23,355.38. Therefore there was a surplus of expenditure over income of £4,764.36. This is represented by a current combined balance of £4,988.07 = reduction in capital of around 49% over the last 12 month.

- 2) Why was this? Major expenditure items were:

Ground Maintenance increased by £1,484, however included 2014 payment to GCB Groundwork, and repair costs to net surface & roller hire.

Annual dinner expenses show an increase of £1,680 but this includes the bulk of 2014 and the whole of 2015 associated costs.

New machinery - £6,078 to Lister & Wilder for the new cricket square mower.

New Covers - £4,199.98 paid to Stuart Canvass.

- 3) Where did our income come from:

Match fees £1,444 up 48% on last season.

Annual player subs £1,325 up 42% on last season.

Annual dinner income of £1,793, however this did include the balance outstanding from 2014.

Grant Income of £3,360 from the GCB, which assisted towards the cost of the cover. This was in addition to the normal annual grant from WPC which was £4,327 this year. THANKS SHOULD BE EXTENDED TO DUDLEY JONES & ALISTAIR KILFOIL FOR THEIR EFFORTS IN SECURING THESE.
