## **Proposed Change to Members Voting Rights & Membership Types:**

It is proposed by the management committee that the following members shall have full voting rights at an Annual General Meeting or Extraordinary General Meeting of Hambrook Cricket Club:

- Full paying playing members
- Student, part time working, un employed members who pay a reduced membership fee (not youth players/ parents)
- Parent players (new class of membership)
- Non playing members who pay a reduced membership fee
- Life Members

The above is a change to our current constitution which currently only permits Full Paying Members voting rights.

## Chairmans Report

Looking back on the success achieved in 2015 it is hard to believe it's been repeated (and surpassed) in 2016.

I would like to record my wholehearted congratulations to everyone that has made it all possible. A remarkable change in fortunes for a club that only three years ago that was in the doldrums, very inward looking and indeed feeling a bit sorry for itself.

I'm a firm believer in not being shy; we should rightly celebrate our success. However against this there is a worrying theme in local cricket that has seen so many games cancelled this season due to some very big clubs not raising teams. The impact of this is plain to see. It's not just the affected team that doesn't play, it's their opponents too.....the domino effect is that when this happens too often, the opponents players find reasons not to play too.

For these reasons Hambrook Cricket Club must not stop trying to push forward, to do so could see us becoming one of those clubs. Let's embrace success and use it to strive for excellence.....many of you will remember we went through the tough times before, it wasn't very pleasant and the club was the talk of local cricket for all the wrong reasons!!

I often hear "Oh it isn't like it used to be", "30 years ago" or "back in the day".

I remember the past too, but trying to bring those halcyon days back by looking through our rose tinted spectacles won't change the society we now live in. Better living standards, greater disposable income and greater choice of things to do in our spare time mean a full afternoon of cricket isn't now everyone's first option of what they do on a Summer Saturday or Sunday afternoon.

We might not like it but with the advent of a 30 over league in 2017 to try and keep people in the game, the prospect of T20 on weekends gets nearer to becoming a reality in the not too distant future.....I can only seek to remind everyone we are all responsible as the custodians of our club of the need to maintain a positive outlook for the future of Hambrook CC and embrace the changes that are happening in cricket. Looking out and being positive about things is a much better option than being inward looking and negative.....

It has been heartening to hear from people thanking me for the progress the club has made in my two years as chairman. Receiving personal praise is nice but it has never sat well with me and it's certainly not the reason I took the role on. I don't have all the answers to the challenges we get but I will try my hardest to ensure Hambrook Cricket Club is fit for purpose.

Like many of you I care passionately about our club. We don't always agree on how things should be done, but my input into our recent success has been no greater than other very talented individuals who made some of the ideas happen. For that reason it is always appropriate to share the accolades to all concerned.

The management committee has again been instrumental in keeping the club moving forward (and telling me off when I throw daft things at them!!). I thank the committee for its support in 2016. I would like to acknowledge the work undertaken by Treasurer Colin Carson in ensuring we remain a viable and solvent club and also wish to acknowledge how well Chris Millett has merged into the role of club secretary.

Once again we struggled to get the Cricket Sub-committee running as I envisaged it doing.

A very productive couple of pre-season meetings set the tone for 2016. However a number of factors contributed to the energy for the group to drop off, not least peoples ever changing work patterns.

The captains did however engage in some great dialogue in the weekly selection meetings. Team selection is the hardest job your captains have to do, everyone (including myself) has their own ideas about what a “best XI” looks like, we don’t always agree and indeed didn’t always agree.....but the “proof of the pudding was in the eating” of two promotions and a league title, that’s life and we move on.

A major frustration this year has been what I call the “Hambrook malaise” – sorry to be so blunt but whilst we have good volunteers who do a great job, there is a majority in the club who quite frankly take a lot out but give nothing back – I am including senior and youth sections in this!

I think we need to be very clear; jobs around the club don’t get done by themselves. They happen because of the hardwork and goodwill of a small number of volunteers.

Those volunteers (myself included) enjoy what we do but in truth we are all doing far too much – imagine what our club could achieve if every player, every parent and every supporter gave just two hours of their time each season.....a lot of people doing a little bit each can achieve so much more than a few trying doing everything!!

As I said at the 2014 AGM when taking over as Chairman “We are all in this together”. Running a cricket club is hard work, however it should be a labour of love not a burden or a chore to a minority whilst the majority watch from afar!

Also, a polite request to our senior ‘non-playing’ members/ spectators. It is becoming increasingly noticeable on match days the negative comments aimed at our senior players from the boundary when things aren’t going to plan. I have been witness to a lot of these comments this year and on occasion possibly been guilty of doing the same myself!! We all need to remember everyone makes mistakes, some of our younger players will learn from their mistakes, we all do daft things and sometimes we get beaten by better (or worse) opposition! No one messes up intentionally!! 2017 will see the first team back playing at Tier 4 of local cricket and the two’s will play in a higher standard – lets get behind them with positive and constructive support from the boundary.....after all, when did any of us old un’s last play at Tier 4?

Like last year, these were very tiny blemishes on what has been a great 2016 for Hambrook CC.

OK, chairman’s yearly moan out of the way lets get back to what we do well. The success of the past two seasons, the fantastic ground we have, the organisation that has gone into planning and goal setting does not happen by accident. It takes an extraordinary amount of time, energy and goodwill by our volunteers.

To those who have helped on the square and common this year:

Roland Allen, Adrian Kislingbury, Richard Snell, Stuart Rutter, Tom Yearsley, Carol Dyer, Richard Dyer, Martin Richardson, Rich Carter, Nathan Warren (and myself) - thank you!

To all the youth managers, coaches, umpires and scorers: Rory O’connor, Will Rollason, Martin Hall, Ejaz Ahmed, Martin Richardson, Richard Dyer, Alex Dyer, Carol Dyer, Tom Yearsley, Keith Stiddard, Rich Carter (youth coordinator), Lee Dyer and myself – a great pre-season programme and playing season!! – Thank you to each and every one of you!!

On Saturday’s and Sundays we acknowledge the support of Sarah Yearsley, Tracey Vardy, Carol Dyer, Karen Vickery (and I think Nathan Warren did a tea stint too?) – thank you!!

Thanks also to our ever resident 2<sup>nd</sup> XI umpire Colin Branton and 1<sup>st</sup> XI scorer Carol Dyer. If I have forgotten to thank anyone please accept my apologies and thanks!

So looking back on the successes of 2016 we had:

- February – an evening with the champions when Gloucestershire CCC visited us (arranged by myself)
- March – Cider & Chilli quiz night – £470 raised by organisers Nicky & Keith Stiddard and Carol Dyer, with Jon Snell as quizmaster. With another £150 matchfunding from AXA via Naomi Amos.
- March – 15 people attend the Introduction to umpiring workshop – ensuring Hambrook can claim their 'Fair Play' bonus points.
- February & March – successful pre-season youth coaching programme run by our UKCC 2 coaches, UKCC 1 coach assistants & parent helpers.
- February to April – 12 week senior pre-season programme with UKCC 3 coach Neil Higginson overseeing the last 6 weeks – thanks Neil for all your input.
- April – Natwest Cricketforce arranged by myself – a small number of volunteers ensured the ground was ready in time for cricket.....thank you to everyone that helped out. Lisa Hopkins secured £250.00 from Nat West as part of this – thank you Lisa.
- April – the lottery bonus ball is set up by Lee and with help from Carol raises £1100.00.
- May – the senior league season starts – unlike many local clubs Hambrook fields 4 full teams each weekend and on one occasion a Sunday 2<sup>nd</sup> XI on a cup Sunday!!
- May – legends game organised by Dave Branton, Lee Dyer drew big crowds and former players to the club.
- May to August – a full youth programme for 6 age groups (Under 7's to Under 17's)
- B & D main cup quarter final and a semi final in the Bateman Trophy
- Quarter Final of the County Trophy
- July – skittles night fundraiser organised by Naomi Amos & Paulette Markey raised £155
- A club open day organised by Carol & Nicky and Waitrose/ ECB funding arranged by Lisa Glimour
- August – U15's progress to the BYCL league semi final
- August – promotion for the 1<sup>st</sup> and 2<sup>nd</sup> XI's and the Sunday XI win the Village League
- October a well attended club dinner – thanks go to Carol Dyer for arranging this once again.

It is also appropriate to mention the positive impact Vice Chairman Dudley Jones has had on the progression of the club over the past few years – new practice nets, covers, CricketForce, the Cricket Club development plan and perhaps his biggest achievement the attaining of Sport England/ ECB Clubmark status.

Unfortunately significant changes to his work and business commitments have meant he was unable to continue to offer the same levels of support and has decided to stand down.

I'm sure everyone at Hambrook will join me in thanking Dudley for all he has done for the club – in truth he has probably achieved more in 5 years than most of us ever will – Dudley you will be missed. Thank you and please don't be a stranger!!

All in all another great year for Hambrook CC. We have a number of key things to look at over the winter:

- Overseas player 2017
- Plan pre-season training for youth and seniors 2017
- Sport England Clubmark re-accreditation
- New B & D Facilities criteria will come into play for 2018 so our next major project is to establish a sheltered position/ accommodation for our scorers.....

So just a few things to keep us ticking over.....thank you everyone for 2016, lets make 2017 a good one too!!

Martin Dyer

### **1<sup>st</sup> XI Captains Report**

We started the season with the objective of being competitive following last year's promotion. All agreed a respectable mid table finish would be acceptable in what we thought would be a tough division.....how wrong can you be?

Highlights of the year were as follows:

- Tyler being the leading wicket taker in the B & D with 33 league wickets
- Edin hitting 341 runs ave 48.71 (even after missing a lot of the season through injury)
- Two current youth players making significant contributions – U15 George Weston & U17 Louis Martin shows that there is opportunity for all if your performances merit it.
- T20 Main Cup qtr final
- T20 Bateman Trophy semi final
- Gloucestershire County Trophy Qtr final
- Promotion for a second year running gained via the runners up spot in B & D Division 1

#### **Notable Performances in league & cup:**

Batting – Louis Martin 96\*, Edin Ahmed 93, Tyler Johansson 91 league and 114\* in cup, Calum Martin 94 (we missed out on a elusive league 100 for anyone!!)

#### **Notable bowling performances in league games:**

Nathan Warren 5 for 17, George Weston 5 for 18, Tyler Johansson 5 for 31 & Mark Dyer 5 for 26

I would like to offer my congratulations to the 2<sup>nd</sup> XI for their runners up place and promotion, the Sunday XI for winning the Village League and it was a great achievement for 3<sup>rd</sup> XI to finish 4<sup>th</sup> given the limited resources Rich Snell sometimes has to work with – nice one fellas!!

Thanks must go to the following people - Sarah Yearsley, Tracey Vardy, Carol Dyer Karen Vickery and Nathan Warren for doing the teas this year.

Roland Allen, Aidy Kislingbury and Rich Snell for all the work they do on the ground plus others who helped when Roland was away.

Darren Vickery & Tyler Johansson for captaining the team when I had to take an enforced break (no pun intended!!)

Thank you to our Head Coach Neil Higginson – his guidance and input has been a massive factor in our success the past two seasons.

And finally thanks to Craig Wood, Danika Dyer & Nathan Warren for putting Tyler up this year.

Looking ahead to next year, I think it will be a tougher season but with the youth section continuing to produce good players our challenge will be to keep them involved. If we can do this and do some good recruitment, I believe there no reason why we cannot look to progress into Tier 3 WEPL – wow that is a big challenge but given we have already ripped up a 5 year plan in 2 seasons, I say why not?

## **2<sup>nd</sup> XI Captains Report**

A good season overall for the 2's winning 11 & losing 3 & finishing Runner Up

We started well, had a blip mid season losing 2 games, recovered - but not quite good enough to win the Division

The holiday season saw us without a number of key players & the 1st team suffering casualties didn't help.

This did allow our stars of the future - Jake, Dan & George to play a handful of games - they did well & I expect them to be included again next season.

Outstanding batting performances included Stu Rutter, topping the Div 9 batting averages with 671 runs, including 7 not outs, 2 centuries & 4 Fifty's & winning the game against Hanham with his bowling to ensure we gained promotion.

Martin also appears in the top 10 for batting with 339 runs including 2 fifty's

Chris secured a century at Nailsea - then disappeared for several weeks !

& Nick W scored his maiden 100 [111 balls] with Stu [100 from 95 balls] at Hampset

Rory on his debut for 2016 also scored 50 at Hanham

Ben for coming to the rescue at University, when we were 100 for 7 & staring at another defeat - he engineered a rescue mission to post 156

& finally Josh, who kept the innings together with an unbeaten 74 in our penultimate game at Hanham - well done fella

Thanks to Roland, Kieron, Lee, Stu, Jake, Dan, Si, Finks for your efforts this year -

Dean was the pick of the bowling again - 23 runs with an economy of 3.44,

We have the ability gents, unfortunately each of us bowlers under performed this season - practice makes perfect

I would like to thank all involved for making the 2016 season memorable - we have a genuine bond growing through the team & I hope we can stick together for 2017 - with 1 or 2 additions!

Thanks also to Mrs Yearsley, who, until poor health - managed to produce fantastic teas for us - best wishes for the future.

David Branton - 2016 2nd Team Captain

### **3<sup>rd</sup> XI Captains Report**

It was a fairly good season for the 3<sup>rd</sup> XI, we played 14 games winning 5 and losing 9, we really should of won a couple of others too.

One of which was the Bristol West Indies game, chasing 169 we got to 156 against a very strong west indies team featuring many of their 2<sup>nd</sup> team players after their match was called off and then there was Bedminster who thought they would give Ian Harvey the former Australian international player a run out and without him we would of won!!

Still we finished the season in 4<sup>th</sup> above both of those sides. I think selection was a little easier this season mainly down to more players being available, although there was weeks where Carol and Martin Dyer and Rich Carter managed to get some youth team players in at short notice so thank you all for your help. Also thanks to Carol for providing the player's availability each week, it really does help us to pick teams and without it, take it from me selection would be a nightmare.

Thanks to Kit Carson for being my vice captain and to all those who helped with teas and for everybody for turning up at Page Park early so we can put all the stuff out ready for the match.

Thanks are also due to everyone who played for the 3rds this season.

Going on to some notable performances we will start with the young lads Jeremy Yearsley and Dan Carter both of who have been fantastic, they both have huge potential and I personally see both of them in our 1<sup>st</sup> team within 3-4 seasons.

On the batting front once again Jon Snell excelled scoring 300 runs at an average of 32, Alistar Kilfoil scored 200 runs averaging 20 and a new addition into the club this season Simon Crease scored 120 runs included in that was a couple of match winning innings.

On to the bowling and as I mentioned before Jeremy and Dan performed superbly and it was good to see Alistar turning his arm over again, but the stand out bowler was Danika Dyer taking 26 wickets including twice taking 5 wickets in an innings. Danika was our 3<sup>rd</sup> team player of the season.

I'll finish by saying as a club overall it was a great season with both the 1<sup>st</sup> and 2<sup>nd</sup> teams finishing runners up in their leagues, so well done Lee and Dave.

Lastly I just wanted to say as a club we can be proud of the fact that once again over the whole season we put 3 sides out every week. Especially notable when you look at a number of clubs in the Bristol area who not only struggled to put 3 sides out but had to cancel 2<sup>nd</sup> team games through lack of players. So a big thank you to everyone who played cricket for Hambrook this season, I'm sure we will continue to keep 3 sides for many years to come.

Rich Snell – 3<sup>rd</sup> XI Captain

### **Sunday XI Report (League & Friendlies)**

The Sunday XI had a great season winning the village league. The main feature was how much stronger we were over a number of the teams we played.

Notable exceptions were the away match at Calne where we were looking at almost certain defeat but came through as unlikely 1 wicket winners – our opposition featured players playing WEPL Tier 3.

The only significant defeat in the league was away at Cheltenham Civil Service where we were well beaten.

The Sunday matches allowed a number of youth players some additional 40 over games and highlighted some names to look out for in the next two years – Ben Amos is starting to mature as a potential top order bat along with George Huke's off spin – both players must be allowed to develop at their own pace and not be dragged into the Hambrook trap of being pushed through too soon (learn their trade). Other youth players including Jeremy Yearsley and Dan Carter also performed well when they were available and not playing for the District teams.

Notable performances were 3 fifties from Lee Dyer, Seb Hull 64, Richard Dyer 97 and 109\*, Mitch Vardy 5 for 25 and a 50. I even managed to bag my maiden ton 106\*!! Plus there were other important cameo performances at key moments.

I would like to thank everyone for their help and support in 2016 and highlight the following:

- Vice captain – Mitch Vardy
- For doing the teas – Carol Dyer, Tracey & Paul Vardy
- For all his work on the ground Roland Allen, plus everyone else that has helped when Roland has been away plus Aidy Kislingbury & Rich Snell for cutting the common each week.

We are now looking forward to the Village League AGM and collecting the Division 1 silverware!!

## **Hambrook Youth Section Report 2016 Season**

### **Co-ordinator's Report**

This season has been very successful for the Youth Section, with increased numbers of players, excellent performances across the age groups and consistent displays of the spirit of cricket. The Kwik Cricket under 9 section, under the excellent tutorship of Jaz Ahmed and Martyn Hall, has had more players turning up on practically a weekly basis. While the weather put pay to the Chipping Sodbury tournament, the Fun Day matches against Bradley Stoke and Stapleton gave many players chance to play their first competitive games for the club. In addition, a good proportion of the younger players had their first taste of hard ball cricket.

For the U11s, the season was very positive, especially when all the players were U10 or U9. The league section was very tough with Winterbourne and Thornbury both fielding strong sides full of county and district players. However, in the cup, a series of hard fought wins got the side to the Quarter Finals. The experience of this year, and another season of development, makes us look forward to next season very positively. Thanks to Rory O'Connor and Will Rollason for running the side, and thanks to all the parents that helped throughout the season.

At the U13 age group, the performances were consistently competitive and the spirit in the group excellent. The league season was mixed in terms of results, but even the defeats has positive elements, for example batting out the overs against Thornbury without losing a wicket. In the cup, a narrow loss at the Quarter Final stage on a wet night at Carsons was a little unlucky. The vast majority of the side move up to Under 15 next season, and will be competitive.

The U15 age group continued to have the strongest individual players in the Youth Section, and this was reflected in their winning of the league and progressing to the play offs. This was not without a little nervousness following a poor performance in defeat at Rockhampton. The semi-final defeat was unfortunate, and an example of the need to retain focus when things start to go against you. Thanks to Martin Richardson for managing the side.

The league decision to move the U17 fixtures to a later summer start had the positive impact of allowing more players to turn out despite examination pressures. Louis Martin, Logan Garland and Myles Jones therefore played their last season of youth cricket. In terms of the league, all the sides in the section were equally inconsistent, with player availability a key issue. A one wicket defeat at Frampton Cotterell meant that Hambrook needed to win their final 2 games to progress. Defeating the previously unbeaten Pak Bristolians meant a win against Frenchay would win the section, but a narrow defeat allowed Pak Bristolians through. Thanks to Martin Dyer, Simon Cross and Martin Richardson for helping with the U17 side.

In addition, a large number of Youth Players contributed in senior cricket over the season. To illustrate, current youth players contributed 723 runs and 78 wickets for the senior teams this summer, with many playing their first regular senior cricket.

### **Youth Awards**

In terms of notable performances, the end of season awards were as follows:

U11 Best Batsman – Billy Abraham

U11 Best Bowler – Austin Hopkins

U11 Best All Rounder – Max Richards

U11 Player's Player – Jack Butler

U13 Best Batsman – Matt Howell

U13 Best Bowler – Callum Mealing

U13 Best All Rounder – Joe Hanham

U13 Player's Player – Joe Hanham

U15 Best Batsman – Jake Bush  
U15 Best Bowler – Jamie Kislingbury  
U15 Best All Rounder – George Weston  
U15 Player's Player – George Huke

U17 Best Batsman – Louis Martin  
U17 Best Bowler – Jessica Werrett  
U17 Best All Rounder – George Richards  
U17 Player's Player – George Hanhan

In addition, the following batting awards were made for meeting the relevant retirement score.

U11 - Max Richards  
U13 – Matt Howell  
U13 – Ben Amos  
U15 – Jake Bush  
U15 – George Weston

Junior Clubman of the Year was awarded to Jeremy Yearsley for his contribution to Youth and Senior Cricket, helping with the younger players, and support for the work on the ground.

### ***Thanks***

As Youth Co-ordinator I would like to thank all the Youth Committee Members, Team Managers and Coaches for their commitment and effort this year.

I would also like to thank all the Team Captains who we asked to step up and led their teams. Many other youth sides have adult coaches that tell the team what to do, especially when in the field (even at U17 level??). This is not our way, we want from the earliest opportunity to empower our players and support them to become rounded cricketers. Sometimes this is hard, and the captain can become the focus of difficult decisions, but it helps us all grow as a team and as people. I hope that all recognise the supportive environment that we are trying to always maintain and have fun playing cricket.

I would like to also thank all the parents, grandparents, barely related hangers on that have helped get the players to training, matches and socials from February until September. Without your support we would not be able to continue and I know the players really appreciate it (even if they don't ever admit it). For those of you that scored, umpired or helped quick kitting up in the middle of batting collapses special thanks.

My final thanks goes to all the players. I'm sure all of the coaches and managers will agree that we have a really good bunch at the club. Irrespective of their relative abilities and experience of cricket, the group work hard, enjoy learning and being challenged, and are a pleasure to spend time with.

### ***Needs for 2017***

Running Youth Cricket teams require a number of roles to be fulfilled. As a club Hambrook is fortunate to have a number of ECB trained coaches, and coaching support workers.

The core challenge for next year is that we need to increase the number of people willing to take on a Team Manager role. This is not necessarily a coaching role but match day organising activity, so if you are a parent that normally attends the games, it's not a big step up in terms of time.

In terms of new players, all are welcome. In particular, we have a gap in the U13s for next year, so any players in this age group would be most welcome.

Rich Carter – Youth Coordinator
