3rd XI Report

First of all I would like to send my apologies for not being here tonight. We had another difficult season but we did manage to stay up, In fact at one point we were looking at promotion candidates after we won 3 out of our first 4 matches, but then the wheels came off we only won 2 out of our last 10 matches. We finished 3rd from bottom but overall I was delighted to avoid a 3rd Relegation on the trot.

Looking at the bowling averages first, I think we struggled, we didn't take enough early wickets. Lee Harving in his first season with us bowled well with not much luck, in one game he had 6 catches dropped off his bowling 2 of them were by me. The standout bowler was Malcolm Davis at the youthful age of 71 taking 28 wickets at an average of 12. Hopefully he will have another season in him next year.

On to the batting Alistar Kirfoil batted well averaging 31 the highlight of this was his superb 96 against YMA a game we should of won. Lee Dyer also looked in fine form early season it was great to see Lee back and hope he can play more Saturdays next season. But the standout batsman was Jon Swell scoring over 500 runs at an average of 64.5. The HIGHLIGHT was a superb 96/10 at Blagdon chasing 247 to win Jon Aun Lee put on 175 for the 1st wicket we won by 8 wickets. 4 times Jon opened up the batting and batted right through to the end of the innings. Kit Carson kept wicket superbly claiming 8 stumpings and 3 catches.

I would like to thank Michelle for doing the teas every home game basecally the best teams in the league. I would like to also thank Martin and Carol Dyer, Martin for umpiring and Carol for doing the Scorebook and finding some youth players to play late on a Saturday morning. I would like to thank everyone who played in the 3rd's this season I know some games were tough but we played with good spirit and had some great wins and we could of won at least 3 more had we applied ourselves a touch more. Finally well done to the 1st and 2nds and to Darren Vickery and Martin Richardson for also avoiding relegation.
